HELP RAISE AWARENESS OF SURVIVORS OF THE RWANDAN GENOCIDE 15 YEARS ON

To mark the 15th Anniversary of the Rwandan genocide on Monday 6th April 2009, Survivors Fund is coordinating a worldwide **Reading of the Testimonies** of Survivors of the Rwandan genocide.

To make this happen we need your help! We are looking for supporters in campuses, cities and countries worldwide to organise reading events. Whether over the course of the lunch break at your university, or as part of an all-day commemoration in a public square, we will provide you with the toolkit, testimonies and technical support to make your event a success.

By organising a **Reading of the Testimonies** in your area, you will play a vital role in helping to raise awareness of the plight of survivors and the legacy of the genocide. By organising a **Reading of the Testimonies**, you will convey a vital message that together we remember the genocide, the survivors and the victims. By organising a **Reading of the Testimonies**, you will be part of a global day of action and remembrance – encompassing UK, Australia, South Africa, America and beyond.

If you would like to be involved in any capacity or are interested in learning more, please visit us online at www.survivors-fund.org.uk or contact us via email at info@survivors-fund.org.uk.
